Feeling lost in the prophets? Start here!

Some of the most vivid moments in Scripture come from the prophets, but their stories can be hard to follow. They're scattered across different books, rooted in political crises we don't recognise, and full of imagery that can leave us scratching our heads.

Prophets of the Bible at a Glance gives you your bearings. Through short, accessible introductions, you'll meet the prophets as ordinary people who faced the same struggles we do: Moses doubting he was up to the task, Elijah learning the power of prayer, Jeremiah pressing on through rejection, and Habakkuk bringing his honest questions to God.

You'll also discover lesser-known voices like Huldah, Micaiah and Anna, along with prophets whose names Scripture never records.

Inside, you'll find:

- Short introductions to prophets and prophetesses from both Testaments
- Bible references so you can read each story for yourself
- A key lesson drawn from every life
- Connections between the prophets, following Jesus and our promised Saviour
