## News & Notes

After the café church in Regent Street when we looked at homelessness and the situation in the streets in Belfast, Tanita became aware of an organisation called Home Plus, who help homeless, asylum seekers and refugees. She is now doing some work with them through her placement and today they mentioned they were in desperate need of baby wipes and nappies. If anyone would like to contribute these they can be left in the vestry and Tanita will collect them and take them to the charity.
