Dear Mission Committee,

As the year draws toward its close, we find ourselves entering a season that calls us to reflection, gratitude, and togetherness. In our churches, we gather for harvest celebrations, for Remembrance, and soon for Advent; each moment reminding us that faith is nurtured in fellowship. The Church, at its heart, is a people drawn together in worship, prayer, and shared hope.

In September, SAT-7 joined the **international call to prayer** for peace in the Holy Land, uniting with believers across the world to lift our voices in prayer for peace and perseverance in the Middle East. It was a moving picture of the global Church; different languages and nations, yet one heart and one Spirit.

This month, SAT-7 will be hosting its **International Partnership Gathering** in Turkiye, continuing the journey of shared vision and faith, coming together once again to celebrate what God is doing through His global Church. These moments of connection, whether through prayer, fellowship, or mission, remind us that unity is not just a value we hold, but a witness we live.

That same spirit of fellowship is what sustains believers like **Fereydoun in Iran**, who recently shared with us:

“Being part of the virtual church meetings has been one of the most blessed and profound experiences of my life. The Lord has poured real love, strength, teaching, and companionship into my heart through this gathering. Being alongside you and the dear ones of the church has not only been a source of encouragement for me but also a sign of the Lord's presence in my life.”

May we continue to embody that same unity, to be a Church that prays together, serves together, and stands together. Whether in small groups, Sunday worship, or global prayer calls, every act of fellowship strengthens the body of Christ and bears witness to His enduring peace.

Thank you for supporting SAT-7. My prayer is that we remain faithful to our calling, to be a Church united in prayer, service, and purpose, shining Christ's light into every corner of the world.

All-Age Advent Resources

As the festive season approaches, we have a wide selection of Advent resources available on our new online shop www.sat7uk.org/advent. Remember, if you order 10 or more copies of the prayer booklet *A is for Advent* the cost is reduced to just £1 each plus postage.

Please also consider how your church could use the FREE [all-age service plan](#) either in a main service or selecting parts of it to use in a Sunday School group. Help children learn how Christians celebrate in other parts of the world. Perhaps you could show the animated video of how Christmas is celebrated in Iran or Egypt and encourage families to consider supporting SAT-7's Christmas appeal with a gift?

Leaders Vision Day

Here is a moment of discussion from the recent Vision Day.

Our next Leaders Vision Day will be **Wednesday 4th March 2026**. Please register your interest [here](#). The day, designed for church leaders, includes a tour of our London PARS TV studio, a meet-up with Farsi presenters/producers, networking with other leaders and much more. Spaces are limited – if you're a leader and would like to attend, or you'd like to nominate a leader, please let me know and I'll provide further details. Additional dates for 2026 will be shared soon.
