Dear [REDACTED],

Thank you for standing with *Prison Fellowship Northern Ireland* in prayer. Your faithfulness makes a real difference in the lives of people affected by crime, both inside our prisons and beyond the gates.

As we enter February, we invite you to pray with us using our [Prayer Focus](#) publication, highlighting some key areas below.

### 💔 Remembering D.

We give thanks for the life of D., who went to be with his Lord and Saviour recently. D. was a faithful member of the *Lifesplan* group and choir and is deeply missed by staff, volunteers, and friends.

### 👩 Women in Prison and Aftercare

Please pray for the women attending *Lifesplan*, particularly those who are fearful about the future or struggling emotionally. We also ask for prayer for women in aftercare who are facing instability, trauma, addiction, and housing needs—that they would feel safe, supported, and surrounded by God’s love.

### 👨 Men in Prison and Aftercare

Pray for the *Sycamore Tree* programmes running across the prisons during February and March, that participants would hear God’s voice and understand the impact of their actions. Please also pray for men preparing for release. We praise God for those who have recently come to faith in prison.

### 👪 Family Support

Remember families walking difficult roads—those recovering from surgery, coping with uncertainty, or supporting loved ones after release. Pray especially for peace, healing, and wise decisions.

### 🙌 Volunteers and the Year Ahead

Give thanks for our incredible volunteers, including those who made *Christmas Hope 2025* possible. Pray for those serving in prisons for the first time, and that God would raise the right people for new programmes planned in the coming year.

We are deeply grateful for your partnership in prayer. As Philippians 4:6 reminds us:

*“Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.”*

Thank you for continuing to hold this ministry—and all those we serve—before the Lord.

Yours in Christ,

**The PFNI Team**

### Prayer Focus February 2026

#### Prisons - Female

Pray for the ladies who attend Lifesplan regularly and those who have recently started coming. Pray that God would speak to them during these Monday evenings.

E. has asked for prayer for her mother S, who has been unwell recently. Please pray for them both.

Please pray for M, who is struggling being in custody and is very fearful for the future. Pray that God would speak to her.

#### Family Support

Pray for two ladies who have had hip surgery in recent weeks. Please pray for a quick recovery, but especially that they would receive God's peace and presence at this very trying time.

D. is thankful to God for how He has been working things out in her life. Pray for the way ahead.

Pray for R. and her son who has recently been released from prison that he will make good decisions.

#### Aftercare - Female

Pray for R. who remains quite unstable emotionally and is struggling with addiction. Recent trauma has heightened this. Pray she will engage with Lynne and accept love and support.

Pray for N. who really needs alternative accommodation; a home to call her own where she will feel safe and be able to rebuild her life.

Pray for L. who is doing really well at present. Pray that she will keep making good decisions and stay strong.

#### Aftercare - Male

Give thanks for the life of D. who went to be with his Lord and Saviour last month. Pray for his family as they cope with the loss. Pray for his friends at the Lifesplan group and choir that he attended faithfully every week. We miss him deeply at PF.

Please pray for the volunteers as they teach, pray, and lead worship each week at Lifesplan. Pray for the new courses and songs that are being planned for this year.

Please pray for K. He had an accident at work. Pray for help, healing, and recovery.

#### Prisons - Male

Please pray for Sycamore Tree running through the three prison sites during the months of February and March, that the attendees may hear God's voice and help them realise that so many people have been impacted by their crimes.

Pray for D. and W. who are looking forward to release from prison soon that they will adapt to returning home to family and friends and that the wider community will also be a part of that welcome.

Praise God and pray for three men who have trusted the Lord in Magilligan in the past few weeks.

#### Volunteers and General

Give thanks for the amazing team of volunteers who made Christmas Hope 2025 possible by giving of their time, treasures and talents.

Remember in prayer volunteers who help with Sycamore Tree, especially those who have never been in a prison before.

Pray that God will provide the right volunteers for programmes that are scheduled for the new year (Sycamore Tree, new men's aftercare gathering, etc.)

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.
