You don't need better words — just a moment

*If prayer feels hard sometimes, you're not alone.
Not because faith is weak — but because life is full.
Full schedules. Full minds. Full days that don't leave much space for carefully chosen words.*

The good news is that God doesn't ask us to perform when we pray. He simply invites us to come — just as we are, in the moments we're already living.

Prayers for Ordinary Moments is a free booklet created to help prayer feel approachable again. It offers short, honest prayers for everyday life — making coffee, starting work, resting, ending the day — written to be used when you need them, without pressure or expectation.

*You don't need to read it cover to cover.
You don't need a routine.
You don't even need the "right" mindset.
Just a moment.*

Wherever today finds you — busy, tired, hopeful, or unsure — God is already near. Free to read or download from Our Daily Bread Ministries
