Dear Friends,

“...intercession is impossible until we allow the things that break God's heart to break our hearts as well.”

— Pete Greig, *Red Moon Rising: How 24-7 Prayer Is Awakening a Generation*

We are so grateful for all the prayers your church is lifting up for those living in extreme poverty. We know that when we gather together and cry out to our Father in heaven on behalf of others, lives are changed.

Yet with the big challenges the world is facing – extreme poverty,

conflict and the climate crisis – we know it can be hard to know what to pray for.

To support you and your church as you engage with these big issues that break both God’s heart and our own, we have created some inspiring new resources to help you set up a prayer room.

Our prayer stations include:

- **Opportunities to pray for Tearfund’s work in communities affected by conflict, the climate crisis, emergencies, and sexual and gender-based violence (SGBV)**
- **A five-day prayer guide for personal reflection, your church, or small group**
- **Slides with ‘Prayers for Others’ to use in your church service**

Please join us in following Jesus to where the need is greatest, using these prayers with your church this spring. Let us pray together in thankfulness, lament, and hope – for all of God’s creation and for our global neighbours living in extreme poverty and facing crisis.

With every blessing,

Lois Bailie
