World Mission Partnership Prayers & Thanks from the Container Ministry

Some copies of the WMP prayer letter are in the foyer. There is also a special word of thanks to all who donating items for the special Container Ministry appeal earlier this year. The container ministry team have expressed their gratitude and joy at the generosity of those who have given, and helped to achieve this mammoth task - with miracle after miracle in the last few months as every item on their list was ticked off. Their storage facility is full to the brim, with two extra containers and school classrooms holding items that will soon be packed and shipped to The Gambia and Sierra Leone! Thank you.

It's Your Move

Over the next couple of weeks I will have the opportunity of delivering It's Your Move Lessons in partnership with Glenn Johnston (Scrabo Hall). We will be in two Schools - Model and Londonderry Primary with their two P7 classes. Each lesson is 45 minutes long and will help the children think through and process the transition between Primary and Secondary School. We tackle 3 topics - Changes, Choices and Challenges and will be gifting each child an IYM booklet to take home. We have purchased 60 booklets for the P7 children in the Londonderry Primary and there will be a label on the inside wishing the children well from us in Regent Street as they move to their new school.

Please pray for - Glenn and myself as we prepare and deliver these lessons.

- The pupils and teachers that will take part.
- The children's homes and families as these booklets spark conversations.
