Good Morning

I hope you're well. I received your details from the Ards & North Down Christian Community Page and wanted to get in touch. Please find our attached flyer for our free 'Planning for Later Life' workshop. This session is designed to provide helpful information and guidance on topics such as planning ahead, understanding care options, and making informed decisions for the future. I would be very grateful if this could be displayed on your notice board or mentioned at any appropriate clubs or groups where it may be of interest. Thank you so much for your support it's greatly appreciated. If you need any further information, please don't hesitate to get in touch.

Kind regards

Lorraine
