Use Of Halls

Our Church Halls continue to serve the wider community through a number of local initiatives.

On Monday mornings and afternoons, we facilitate Family Contact Sessions in partnership with Family Support within the Health Trust. In addition, on Thursday afternoons we host a Strength and Balance Course delivered by the Multi-Disciplinary Team. This programme will initially run for four weeks.

Through our Have Your Say Questionnaire, many of you expressed a desire for our church to become more community-minded and to build stronger partnerships with others. We are delighted that these initiatives provide opportunities for us to do exactly that, enabling us to serve our community while working alongside local organisations.

Please be aware that we live stream our services and so we can't guarantee that you won't be very occasionally caught on camera.
