A Bible adventure full of secrets, puzzles and courage

She thought she was just taking part in a beauty contest.

She had no idea it would lead to a battle to save her people.

The Queen with a Big Secret: Esther's Story is a fun, energetic retelling of one of the Bible's most dramatic stories, created especially for young readers.

Through letters, puzzles, secret messages and colourful illustrations, children can step into Esther's world as she navigates palace life, faces a dangerous enemy and discovers that even when God seems hidden, He is still at work.

Along the way, they'll meet Esther, Mordecai, King Xerxes and the very unpleasant Haman, while solving codes, spotting differences and reading short prayers that help them connect Esther's story with their own lives.

It's a brilliant resource for helping children see that the Bible is full of real adventure, real emotions and the faithful God who is always working for His people.
