Dear Friends,

As Christians, we are called to live and love as Jesus did, standing alongside vulnerable communities and refusing to accept lives destroyed by poverty. Worldwide, nine million people die from hunger each year, including three million children. We must act now. You can respond to this urgent global crisis by taking part in Tearfund's One Table, One World initiative.

Host a One Table, One World meal with your family, friends or church. By sharing food, learning about global hunger and taking practical action together, you can help end extreme hunger and malnutrition.

In Burundi, over half of all children under five suffer from chronic malnutrition. But where love leads, the church steps in. Tearfund in Burundi works alongside local church partners to equip mothers like Claudette with life-saving skills to prepare nutritious porridge from local ingredients, turning daily hunger into lasting hope.

How your gift transforms lives:

£27 could provide life-saving seeds and fertilisers for a family to start a kitchen garden.

£53 could provide vital training for a community health worker or church leader.

£59 could provide life-saving porridge for eight weeks for a malnourished child, a pregnant woman or a breastfeeding mother.

Everyone should have the opportunity to enjoy life in all its fullness. We will send you everything you need to plan your meal.

Join us today by visiting tearfund.org/onetable to host a meal and extend a place at the table to families in Burundi and beyond.

With every blessing,

Lois Bailie
