Bible Society Northern Ireland Newsletter

September 2026

Dear [REDACTED],

It's easy to feel like you're constantly falling short, or like everyone else got a step-by-step instruction book for living the Christian life that you missed.

We live in a culture that's entirely obsessed by optimisation. The right routine. The right habits. The right resources. And if we have all that, we will finally become who we want to be. So it's easy to bring that mindset to our walk with Jesus, "If I just tried harder, read more, prayed better, maybe then I'd be good enough."

Peter flips that in 2 Peter 1:3, "His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness."

We have already been given the power for a godly life through knowing Jesus Christ. Not through hustle or better systems, but through relationship with Him.

The more we see His glory and goodness clearly, the more that knowledge reshapes how we live.

So how will you look for His glory and goodness this month?

Bible-a-Month Partnership

Millions across the world have no access to the Bible.

Our vision is to see a world where all people can experience the transformational power of relationship with Jesus through engaging with the Bible. We want everyone to have the opportunity to access the Bible in an affordable and appropriate format.

From just £10 per month, your Bible-a-Month Partnership with Bible Society Northern Ireland will enable someone to have the copy of God's Word they long for.

Bible-a-Month Project Peru

In the remote villages and indigenous communities of Peru, thousands of children live with chronic malnutrition and little access to education or spiritual guidance. Through the 'Bread of Life' project, the Peruvian Bible Society provides both physical and spiritual nourishment: nutritious breakfasts and age-appropriate Bible teaching.

Every meal is a lifeline, and every Bible class a spark of hope.

Children learn discipline, hygiene, and Christian values that lay the foundation for a brighter future. This is about more than feeding just their bodies, it's about transforming hearts and lives, and planting seeds of faith that will last a lifetime.

Your donation this month will provide meals, Bibles, and resources to children in these remote villages.

Pause and Pray

- Pray that the children participating in the project will learn to love and recognise Jesus as their Lord and Saviour.
- Pray for the churches and individuals who volunteer to run this project in local communities.
- Pray for the Bible Society as they manage this project across many locations, and provide age-appropriate biblical lessons and resources to the volunteers in each area.

Help give a Bible-a-Month
