Will you follow Jesus to the hunger crisis?

When people are living on the edge, we're by their side

Millions of people around the world face unrelenting hunger and conflict. Tearfund is responding to disasters and the injustice of extreme poverty every day in ways that lead to real change.

About us

Why our supporters give

Because through Tearfund I'm empowered to make a difference in parts of the world that I have no access to. I get to love my furthest neighbours.

Verified Supporter

I've been a lifelong supporter of Tearfund because it's always been focussed on long-term sustainable change, and has real integrity in how it does things.

Verified Supporter

For the 40+years I've supported TF, they have never wavered from nor compromised their principles - showing Jesus' love in action.

How we maximise the impact of every pound
