To book a tour and for details of numerous on-board events see:

Consider an outing for mid-week or children's or youth groups that meet in your church.
There is an on-board cafe and a large bookshop with a wide variety of educational subjects.

Why not also arrange for two or three crewmembers to visit your church for a Sunday or midweek or youth meeting or for a school event?
You could invite them to share their testimonies and interview them about world mission.

This can be organised before the ship arrives by emailing:

hello.uk@om.org

Don't miss visiting Logos Hope in its tour of major UK ports.

In the meantime I hope the film **David (PG)** based on 1 Samuel is going well this week at Belfast's cinemas.
Do go and see it if you haven't already - it's a great film from Angel Studios.

With every blessing in Christ

P.S. - I occasionally email - usually to let you know when a Christian film is coming to your local cinema.
Send a brief reply if you wish to amend details or to unsubscribe - please say that your church is in the Belfast area.
