We have the same HOPE

[View in browser](#)

Hello,

We spoke to John, a faithful supporter of SAT-7, on the phone recently. At 95, he feels his weakness and so, every day, he prays, *“Lord, in the words of that beautiful old hymn, give me strength for today and bright hope for tomorrow.”*

As Christmas approaches and the year turns, these words feel even more poignant, don't they?

We have the same HOPE

Across the Middle East and North Africa, our viewers also need this same strength and hope. Yet, as believers around the world gather to celebrate Christmas, we know that many of our viewers will be unable to.

Thankfully, through our Viewer Support team, believers and seekers with burdens and questions can find comfort and clarity. Last year, we held over 75,000 conversations. My colleague Omeed listens to vulnerable viewers living in the shadow of conflict, fear and uncertainty in Iran. He reminds them of bright hope we have in Jesus.

An invitation to DOUBLE your gift

^

As we prepare to celebrate, I wanted to invite your church to share the hope we have with thousands of our viewers. A gift of £180 to our special Christmas appeal would provide **ten precious hours of fellowship with SAT-7's Viewer Support Team**. Wonderfully, church gifts of up to £2000 can also be DOUBLED, meaning your church will be able to bring **twice the strength and twice the hope**.

To double your gift as a church, please be sure to transfer your gift to our account **from 1 November 2026 and before 31 January 2027**. Please remember to include your church name in the reference and send a follow up email to respond@sat7uk.org.

We are ENDLESSLY grateful

For Shervin, our Viewer Support team has been vital:

"I don't know why, but every time you send a message, even though I am in the worst conditions and the hardest times of my life, a new hope and peace springs up in my heart. I am endlessly grateful to you for remembering me with your love and prayers."

As SAT-7 broadcasts across war-torn countries around the year, we are truly grateful for your kindness and prayers. Thank you for enabling us to share the

grateful for your kindness and prayers. Thank you for enabling us to share the best news of Jesus this Christmas and into 2027.

May you and the whole church know the strength of Christ and His bright hope for the New Year.

In Him,

David Toft
